Effective January 1, 2015 thru December 31, 2015

## WOVEN CRYPTON®

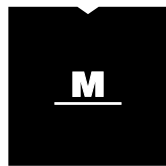

Crypton® is a 100% polyester fabric finished with proprietary treatments consisting of a polymer latex and fluorochemical stain blocker. Crypton® is a total moisture barrier, yet breathable. It is anti-bacterial, anti-fungal and anti-microbial. In laboratory settings, all stains were easily removed with mild soap and water.
